Install and set up your Amazon Fire TV Stick

1. Plug the power adapter into an electric outlet and the Fire TV device into your TV's HDMI port. Use the USB cable to connect the power adapter and the Fire TV device.
2. Install the batteries in the remote by matching them to the icons inside. If the remote doesn't automatically pair with your Fire TV, press and hold the Home Button for up to 10 seconds.
3. Use the Source button on your TV remote to locate the HDMI signal for your Fire TV device.
4. Follow the prompts on the Fire TV startup screen.

Download the free FlintRVR TV app

1. On the home screen, click on the search icon in the top left corner.
2. Type in "FlintRVR TV"
3. Download the app.
4. When it is done installing, press the select button to open the app.
5. Once you enter the app, it will prompt you to enter your username and password and select "sign in."
